

HORATIUS

TO OUR LOYAL CUSTOMERS & FRIENDS

The success of Horatius as an Event Venue has exceeded our highest expectations! The number of corporate and private events hosted by Horatius has grown tremendously since we opened our doors.

The exciting journey that began with our opening celebration of June 16, 2009 culminates today with a decision that celebrates the success of Horatius as an Event Venue.

Effective Monday, January 17, 2011, Horatius will no longer operate as a bistro open to the public, but will instead concentrate solely on private events.

Horatius will continue to host public events that will be posted on our website at horatius.com. Exciting future events include wine tastings, product launches, insightful seminars and innovative culinary courses with renowned chefs. We will bring back our popular dinners featuring fine Portuguese cuisine, available with advanced reservations. Details will be posted on our calendar.

I want to express my sincerest gratitude for your patronage and heartfelt support of Horatius and, most of all, your friendship during our first nineteen months. The excitement we shared at Horatius during the World Cup from South Africa will live within our hearts forever.

Horatius is not closing its doors. Rather, we are opening a new door to pursue the Horatius dream captured in two very old, memorable and everlasting words:

Horacio Gomes
founder, ceo
Horatius Inc.
